

I don't want to give my talk...

Anyway ...

Future Plans for GOPIRA

Yoshi Taniguchi

Sweat memory ?

***I was disappointed
@ Cambridge/UK
in 1996.***

Why ?

Hubble Deep Field (HDF)

Lanzetta et al. Nature paper

No way ???

My idea in 1996

Need HST data

Need a brand-new method w/Subaru

MAHOROBA

MAHOROBA-GOODS-S

Real MAHOROBA

Future of GOPIRA

ELT

or

JELT

or

JET

Option I: ELT

Collabo. w/ foreign ELT project(s)
(e.g., TMT, ...)

If this is the case,

Fade out !

Option II: JELT

JELT = Japanese ELT

If this is the case,

So, so.

Option III: JET

JET = Japanese Extreme Telescope

e.g. SPICA

If this is the case,

Happy !
